Therapy

Tower Hill has an on-site therapy suite in which each patient experiences a full range of quality rehabilitation care. Our team uses the latest treatment practices and therapy equipment. Within this environment, the highest quality rehabilitation outcomes can be achieved, with a focus on reaching individual GOALS.

Living

Whether your stay at Tower Hill is short-term rehabilitation therapy, or long-term care, our GOAL is to make you feel right at home. From Restaurant Style dining, and comfortable lounge areas, to Mona's Cafe room service dining and spacious bedrooms with flat screen televisions, Tower Hill is an amazing place to call home.

Amenities

The professional support team at Tower Hill recognizes that every resident has individualized abilities. Each resident's needs- physical, emotional, social and spiritual receive our complete attention.
